The Wild Geese™

Who We Are

We are a non-profit, non-sectarian group open to anyone interested in our goals and aspirations. The name "Wild Geese" refers to the courageous people who, following the Treaty of Limerick in 1691, fled Ireland like "wild geese" rather than be subject to foreign domination.

Our Purpose

To enjoy and transmit the Irish experience through Wild Geese activities so that Irish-Americans and anyone who has been charmed by the spirit of Ireland can recognize, treasure, and share her rich history and culture, as well as her many contributions to Western civilization.

Our Activities

We have activities in public places and in members' homes. Some are fundraising activities and others are primarily social events. Typical subjects have been: Irish literature, poetry reading, storytelling, sports, dance, song, creative arts, architecture, history and current events.

Grants

Our annual grants program in the past year resulted in contributions to the following:

- Fordham University
- The Irish Repertory Theatre
- The Irish Way Scholarship Program
- Northern Ireland Children's Enterprise
- Project Children
- Shamrock Traditional Irish Music Society
